

Now in its Second Year!

Jan. Registration is OPEN!!

FOR KIDS. BY KIDS.

Peer Mentor Network!

PMN Connects motivated students from all/underserved school communities with enthusiastic, pre-vetted peer tutors for supplementary support in core academic subjects. [Learn More \(peermn.org\)](https://peermn.org).

Schools may be back in person, let's keep the good work going!!!

Just log on to peermn.org to sign up today!

FREE Online Tutoring

Students connect online with Peer Mentor Network tutors, who are enthusiastic and share a common goal of helping their students succeed. Tutors also are accessible for questions via their email addresses.

No Internet Required

Depending on the subject, students may be able to use a cell phone or landline to dial into their session, without using the internet.

Tutor Qualifications

Tutors are thoroughly screened. They must have a recommendation from their current teacher and a department chair in the subject that they are tutoring; tutors are further screened via an interview and are trained before beginning to volunteer at Peer Mentor Network.

***Free-NO COST**

Tutoring services are completely free. Period.

Another great resource for your students especially those who are underserved and identified as eligible under McKinney Vento.

THE ECYEH OFFICE IS PROUD TO BE WORKING WITH THE PEER MENTOR NETWORK TO OFFER THIS SERVICE TO STUDENTS IN NEED DURING THIS MOST CHALLENGING TIME. PLEASE VISIT PEERMN.ORG TODAY TO SIGN UP.
