

SETTING THE STAGE FOR A GREAT YEAR IN PARKLAND!

# MATH IN FOCUS NIGHT (K-5)

Join the Parkland School District elementary staff to learn about our new math program:

## MATH IN FOCUS!

We will share an overview of the program, guide you through each grade level layout, and model activities with your child! In addition, Parkland elementary reading specialists will be sharing best practices for igniting literacy skills and routines at home!

Join us on the date that is most convenient for you!
